

## School council Trust meeting

### Minutes

Zara and Eze our Head girl and Head boy went with Mrs Lawrence to Wingrove Primary School on Wednesday 9<sup>th</sup> November. The purpose of the meeting was to meet the other schools in our trust to find out what their school councils have been up to and to share our own goals and achievements.

First off everyone had to introduce themselves and their role within the school. Zara and Eze told everyone that as head boy and head girl they help to:

- Share pupil voice
- Organise events around the school such 'Children in need day'
- Lead school council meetings

Then Zara and Eze told everyone at the meeting that Hawthorn had achieved its 'Plastic Free award' They then shared some of the things we do as a school in order to achieved this such as: children do not bring single use bottles of water into school, all classrooms has a recycling bin, batteries are recycled as are pen and glue stick cases.

The children then shared that the Y6 ties are made from recycled plastic as are the new book bags that have been handed out to children in reception.

It was agreed that between now and the next trust meeting that the children would organise a litter picking activity in their school.
